Akustik to go

Also available to take away

easily rearranged

Akustik to go is our new furniture range, inspired by the idea to develop a simple and functional product that is also sustainable. The furniture can easily be rearranged to suit the needs of the space.

The product consists of 100% PET fibres, has no frame and a very slender look with a width of only 25 mm. The evenly distributed bulk density allows for excellent acoustic insulation and noise absorption.

Product range:

- Partitions
- Desk attachments
- Phone boxes
- Meeting areas
- Acoustic pillars
- Wall or ceiling panels
- Baffles

flexible implementation

The Akustik to go – partitions can be used to create an enclosed desk area, or a meeting area.

Our new mobile series can be implemented flexibly, both for large office spaces, and for events or trade fairs. The products can be transported easily and are simple to assemble and dismantle. The assembly requires no tools.

You can also include optional sound-absorbing seats.

Partition:

- 1 x partition (W x H) 200 cm x 150 cm
- 2 x feet

Price: 549 € plus VAT

simply get working

Give your employees the chance to concentrate on their work or make phone calls in peace! We have created a variety of solutions to achieve this.

With our mobile desk attachments, you can quickly and easily turn any workspace into a quiet zone. Simply install using two desk mounts, and the new workspace is ready to use.

The Akustik to go – desk attachments can also be equipped with an optional organisation rail.

Desk attachment:

- Rear wall (W x H) 160 cm x 50 cm
- 2 x desk mounts

Price: 299 € plus VAT
